BROADWAY THEATER.

The original number one compan will present "Graustark" at the Broad-way theater on Wednesday, Feb. 24. This means that the play will be produced here processely the same as it was in New York, Philadelphia, Pittsburg and other cities, with a cast haeded by George D. Baker. Atkins Lawrence, Ann Bronaugh and other well known players; also that there will be a sixty foot carload of beautiof scenery on the stage. Seats on sale the box office, Wauregan house, and Bisket-Pitcher & Co., on Monday, Feb. 22. at 9 o'clock.

BREED THEATER High Class Moving Pictures and Illus-

trated Songs.

The Breed theater was taxed to the utmost Saturday evening, when every seat was taken, and the ladies' retir-ing room had to be thrown open to ac-commodate all of the people who were present to witness the popular bill of the week. This is the record attendance the box office report showing that nearly 1,000 persons had attended the theater on that day. All of the suc-cessful songs and pictures of the week

ture: The Poster Chase (comedy), At Night, another big dramatic one; The Swimming Lesson, comedy, and The Feud and the Turkey, Madam Morelle and Mr. Cooper will sing new and and Mr. Cooper catchy songs.

NATURE STORIES Told by Former Waterbury Pastor at New York Meeting.

Rev. Dr. Fairbanks D. Stock-It is a wonderful female remedy, as dale, formerly pastor of the First Methodist church of Waterbury, told of an address last week at a meeting of Methodist preachers in New York city. Dr. Stockdale is now pastor of the Willis avenue church in that city. In telling the results of some studies he had made in nature, he said:

"A student of the course of the Willis avenue church in the Willis avenue church in the city. In telling the results of some studies he had made in nature, he said:

"A student of the course of the course of the studies of the course of the cou

"A spider who had a nest in my gatepost I taught to come out and feed on files that I gave him when I knocked on the post. Others of my family tried to call him out with their knock but he would not come till I knocked and then he came, ran up my arm to my shoulder and took his meat. He knew the difference in the knocking. w the difference in the knocking. A friand of mine had a pet trout in "A friend of mine had a pet trout in a springhouse, a rod from the road. The trout knew his master's step and invariably swam to the nearest point to the door in order to be fed. No one else approaching the spring could induce the trout to approach. The trout knew the step of his master.

"A pet camary I owned learned to sing at my command when all other efforts of sunlight or music proved useloss.

"I saw a hunting dog that when asked which would be rather do, die or vote the democratic ticket, played dend. The mention of his master's

dead. The mention of his master's choice of party had no such effect. The dog associated the word 'democratic' with the command to play dead.

"Another dog had been mught to bark for his master when he moved his foot. This cue was used in passing the dog off as being able to tell time by his master asking him Is it this o'clock?" till he struck the right time.

"I call attention to these facts to prove that there is a capacity for a working acquaintance with the beings of a higher order."

WILL MEET IN NEW HAVEN. American Institute of Mining Engineers.

Professor Chittenden, director of the Sheffield Scientific school, New Haven, has made the following announcement regarding the forthcoming meeting of the American Institute of Mining En-gineers to be held at the Sheffield Sci-miting school of Vale university. Veh. ntific school of Yale university Feb

This is the ninety-sixth meeting o This is the ninety-sixth meeting of the American Institute of Mining Engineers, composed of all the prominent angineers in America whose work is connected with mining. John Hays Hammond is precident. A large attendance of noted engineers is expected at New Haven during this session. The headquarters of the institute will be at the New Haven house, where will be located a bureau of information, of which Prof. William E. Ford will be in charge.

The New Haven committee to look after the guests and who have general charge of the meeting is made up as follows: Prof. Louis V. Pirsson, chairman; Prof. John Duer Irving, secretary; Frank L. Bigelow, treasurer.

BACK FROM MESSINA. Fair Haven Man Was Injured During Earthquake.

Friends of Giovanni Mollica of Fair Friends of Giovanni Mollics of Fair Haven gave him a hearty welcome upon his return from Italy, where he went on a visit to relatives. He was at Messina during the earthquake and his back was injured in the shakeup, and he regards it as fortunate that he escaped as well as he did. Over 46 of his relatives perished in the earthquake. He arrived in Messina just five days before the earthquake. His parents are still living in Messina, but he hopes to bring them here. He lost considerable meney in the carthquake.

Guild Gives Fine Entertainment-Storm Lessens Attendance-Meeting of Manufacturing Company-Gener-Moving Pictures and Illustrated Songs

J. H. Baker of Millington was in town Friday.
On account of the storm Friday evening there was not a very large crowd aing there was not a very large crowd at the entertainment given by the Young Ladies' guild of St. Andrew's church in Grange hail. The entertainment consisted of dialogues, etc., by the pupils of the Dublin schools, given by them at Thanksgiving time. There was also a novelty, jigs and reels by ladies and gentlemen from this place and Moodus, with singing and recitations. Later dancing was enjoyed. Bunce's orchestra furnished music and Professor Hamilton of Norwich was prompted. A few from Moedus and Fitchville braved the weather to at-

FOETRY. GEORGE WASHINGTON.

when from out a block of marble By Greek . chiselled steps a god Giorious in feature, form, and attitude, immortal 'mid the wrecks of blight ing time.

So from rough quarross of humanity' By great times soulptured Washington atood forth.

Of geddlike mold and godfike soul to be A rare high wonder of pure human And as o'er Athens towered the form Of heimed Athena, guardian of the Lafting her spear and buckler o'er the Where shone her face in light im-maculate. So stately Washington, radiant and alone. Stands guardian gentus of his land-

Fling all the banners to the breeze.

Call out the bands to play,
And decorate the streets and squares
In festival array;
Let every battery, far and near,
Roskout across the foam
A welcome to our sallor boys,
The fleet is anchored home.

The long, gray ships have dipped their keels keels
In many a distant ses,
And borne in triumph round the world
The message of the free.
To other lands they told the tale
Of Liberty's increase,
And carried on their mighty guns
The olive-branch of peace.

We're proud of all our stores of gold, Our cattle and our corn. Our cities crowned with countless apires Of honest labor born. Our mills and mines and timber-lands. And farmsteads fair to view. But proudest of our gallant tars In jackets trim and blue.

welcome to the navy, then,
Returning from its cruise,
id bugie-notes and rolling drums
Repeat the giorious news.
While flags and rockets flash it, too,
Through heaven's eternal dome,
the nation's heart is full of joy.
The floet, the fleet is home.
-Minna Irving, in Leslie's Weekly.

Clever Sayings.
